The town developer, Grant Humphreys described how he developed the Town Green Management Agreement. The trustees recommended getting the details identified and sent to Ann Elfrink, the town Auditor, to review the accounting issues. 7. Presentation of the 2015-2016 Town Audit Report by Anne Elfrink, Town Auditor, followed by Discussion, Consideration, and Possible Action regarding the Audit by the Board of Trustees

Positive findings were that the Board of Trustees is very involved in the operation of the town. Recommendations include:

1. *Fixed assets get capitalized and put on a depreciation schedule*
2. *"On behalf" payments are not showing up on the books reflecting how much the town owes the developer. Suggestions include:*
 - *The town initiates actions before funds are encumbered. Ensure the approval process takes place before actions are taken by the developer*
 - *Consider establishing a priority for the TIF as money comes in. There may not be enough money to pay all the bills*
 - *Obtain an "Estimate of Needs"*
 - *Need Bond closing documents*
 - *Follow the "Public Competitive Bid Act"*

MOTION: A motion was made and seconded to accept the audit and to engage Elfrink & Associates, PLLC to perform an ongoing accounting of TIF district, private vs. public investments.

AYE: Chinnici, Click, Kimmel, Morris
