Title 18 will allow us state funding.

 Consider, discuss and possible vote to amend, revise, approve or deny Ordinance 2022-07-01 related to Outdoor Lighting establishing permitted use of outdoor lights, lighting zones, and street lighting; and Declaring an Emergency, or take any other appropriate action. Exhibit:

At the February Board of Trustees meeting the Trustees authorized Freese and Nichols to develop a Street Light Ordinance and Policy based on the Dark Sky principles. At this point Freese and Nichols would like to make a presentation and review some of the assumptions used in developing the Ordinance/Policy. The review includes helping the Board and Community understand some of the differences between lighting styles, types, illumination, etc.

On December 11, 2021 at a Special Board of Trustee meeting Freese and Nichols held a street light demonstration. The demonstration provided a visual understanding of two light spectrums, 4000K and 3000K, at the same light level. The demonstration also highlighted the benefits of having an outdoor lighting ordinance which sets the levels of light within certain areas or zones.

At the December 18, 2021 Board of Trustees meeting the Board reviewed and discussed the Street Light Ordinance. The Board and comments from the residents provided the need for further refinement and clarification on some areas of the Ordinance. The Staff and Freese and Nichols have continued to work to address the issues discussed during the meeting. Manly clarified language related to residential outdoor lighting and exemptions, further develop language for Mater Lighting Plan, and establishing warrant guidelines for determining need for a streetlight.

The proposed Outdoor Lighting Ordinance continues to follow "Dark Sky" policy which is a model of restrictive lighting to help minimize light pollution and ambient glare. Carlton Landing currently has minimum light glare which allows for viewing of the night sky and stars. Our desire is to maintain minimal light glare from outdoor light sources and uses as the Town continues to grow and develop. The Ordinance creates multiple lighting zones, which sets the allowed light intensity within each zone. Zone 0 allows no ambient lighting while Zone 4 allows high ambient lighting. Residential areas have been set to Zone 1 or low ambient lighting.

MOTION: A motion was made by Myrick and seconded by Chinnici to Approve Ordinance 2022-07-01 related to Outdoor Lighting establishing permitted use of outdoor lights, lighting zones, and street lighting.

AYE: Joanne Chinnici Kris Brule' Mary Myrick Chuck Mai Clay Chapman

8. Consider, discuss and possible vote to amend, revise, approve or deny the placement of a streetlight, or take any other appropriate action. Exhibit:

At the May 21, 2022, Board meeting the Board approved the streetlight fixture as the standard for streetlights within Carlton Landing. Staff, Project Manager and Freese and Nichols have discussed possible locations for the installation of the streetlight. Consideration has been made related to accessibility to electric service, visibility, and possible need. You may recall the installation of a streetlight is a requirement within the GO Bond, Series 2020.

The following locations have been identified as possible location for the streetlight.

Water Street and Park Street – on the east side of Water Street Water Street south of Water Street Pavilion Water Street and the walkway to Marina – either on the east or west side of Water Street depending on electric access

Ridgeline and Lower Green Way - on the northeast corner

Any of these locations meet the general purposes for installation of a streetlight. One location does not specifically stand out as a best choice compared to the others. The recent changes around Water Street and Park Street have changed the previous lighting limitations with the addition of ambient lighting, however; those still do not provide all night lighting.

MOTION: A motion was made by Chinnici and seconded by Mai to approve Placement and installation of a streetlight at the Water Street walkway to the Marina.
