7. Consider, discuss and possibly vote to amend, revise, approve or deny an Ordinance establishing a Residential Short Term Rental Program within the Town of Carlton Landing wherein a privately owned residential structure or portion of such structure is rented to another party, and establishing the requirement of a Short-Term Rental License to be obtained from the Town, and establishing a fee for the license and its renewal; and Declaring an Emergency, or take any other appropriate action.

At the January Trustee meeting the Board reviewed a draft Short term Rental Ordinance. Based on comments from the public a task force was established to review and make suggested changes to the Short term Rental Ordinance. The Task Force met on Friday February 3, which consisted of representatives of property management and individual owners who rent their property. The suggested changes from the Task Force have been incorporated into the proposed draft Ordinance.

The Town continues to see a growth in the use of residential short-term rentals. We have several businesses that have registered for business licenses indicating they are property managing residential properties. We also have several individuals who have received business licenses for short-term rentals. Staff has been working to educate those with a business license and others about the sales and lodging tax requirements.

Several other Cities have developed and implemented Residential Short-term Rental Ordinance to help manage issues that arise related to rentals. The proposed Ordinance provides for a requirement to register for a residential short-term license. As part of the application and license the property owner would contact information or a contact person to respond to complaints and or issues related to the property or renters. The license is an annual license. Each year the property owner would need to provide evidence they have paid sales and lodging taxes.

DISCUSSION: Some owners of Short Term Rentals objected to the current Ordinance and requested continued Task Force meetings to clarify portions of the Ordinance. Other Short Term Rental owners supported. Members of the Task Force may be Clay Chapman, Greg Buckley, Jan Summers, Heather Scott, Brooke Baum, Brock Baum, Amaziah Dominic,

Paul Harris, Aimun Nieto, Katie Ham, Craig Ireland, Charla Austin

MOTION: Following discussion, a motion was made by Mai and seconded by Chapman to table the agenda item to allow for another meeting of the Task Force. Trustee Mai agreed to chair the Task Force.

#### Town Administrator's Report February 18, 2023

- Alley Phase II and Block 10 Parking Lot –Work with the Engineer and Mike Kerney on second round of bids. We received two bids, the low bid was \$723, 090.50, second bid was \$848,464.68. The Engineer's estimate was \$651,236.00. TIF Funds were approved for approximately \$605,000.00 There are available TIF Funds to allocate to the Alley and Block 10 Parking lot project. There are two items on the agenda related to the Alley project.
- Community Center The Community Center Task Force has informally met to review and discuss the proposed building schemes provided by the Architect. The members of the group worked up an alternative building layout. Once we have an updated sketch the Task Force will meet to discuss next steps.
- Stephens Road I received an email from the Corp of Engineers Tulsa Office they have been reviewing the plans and asked about projected project cost. I responded that the estimated project is approximately \$1.2 Million. They indicated they should complete their review and anticipate we will get approval the week of February 20.
- TIF Committee Based on the new process model approved by the TIF Committee, I developed a new project report worksheet which outlines current and project revenue, funded projects, approved but unfunded projects and proposed projects. The TIF Committee met on Thursday, February 16, 2023 to review the new report. Our next meeting is scheduled for March 9 to begin reviewing proposed projects and developing a recommendation for the Board.
- Marina Phase 2 expansion I attended a meeting with Jim Boohaker, Bob Buckner, representative from Meco Sullivan and the Corp of Engineers to discuss the concessionaires plans to add to more dock sections. Current Corp approval included the additional dock section, so no new permit request is necessary; however, in reviewing the plans it was identified the current dock construction deviated slight from the approved slips. The concessionaire is preparing a request for modification. The approved plans

identified a long slip and it was constructed as two short slips.

 RWD #20 – Amanda and I have been working on cleaning up billing accounts and getting financial statements current. The Chairman, a Trustee, Plant operator and I had a meeting with DEQ to discuss current status of the consent order, system operations, Lagoon closure plan, the flow equalization basin, issues with the new Treatment Plant.

Thank You

## AGENDA ITEM COMMENTARY

**ITEM TITLE:** Consider, discuss and possibly vote to amend revise, approve or deny a Ordinance No. 2023-03-01 establishing Guidelines Governing Residential Short Term Rentals within the Town of Carlton Landing wherein a privately owned residential structure or portion of such structure is rented to another party, and establishing the requirement of a Short-Term Rental License to be obtained from the Town, and establishing a fee for the license and its renewal and Declaring an Emergency, or take any other appropriate action.

**INITIATOR:** Mayor Joanne Chinnici, Greg Buckley, Town Administrator

## STAFF INFORMATION SOURCE: Greg Buckley, Town Administrator

**BACKGROUND:** At the February meeting of the Board, further discussion provided direction to the task force to follow up with further discussion and review of some of the language. The task force met February 23, 2023 which provided additional language clarification and changes to the Ordinance. Additional, correspondence with member of the task force has further refined the language of the Ordinance and a general consensus of agreement for the current version of the Short Term Rental Ordinance.

At the January Trustee meeting the Board reviewed a draft Short erm Rental Ordinance. Based on comments from the public a task force was established to review and make suggested changes to the Short term Rental Ordinance. The Task Force met on Friday February 3, which consisted of representatives of property management and individual owners who rent their property. The suggested changes from the Task Force have been incorporated into the proposed draft Ordinance.

The Town continues to see a growth in the use of residential short-term rentals. We have several businesses that have registered for business licenses indicating they are property managing residential properties. We also have several individuals who have received business licenses for short-term rentals. Staff has been working to educate those with a business license and others about the sales and lodging tax requirements.

Several other Cities have developed and implemented Residential Short-term Rental Ordinance to help manage issues that arise related to rentals. The proposed Ordinance provides for a requirement to register for a residential short-term license. As part of the application and license the property owner would contact information or a contact person to respond to complaints and or issues related to the property or renters. The license is an annual license. Each year the property owner would need to provide evidence they have paid sales and lodging taxes.

B. An application for an operator's license can be obtained from the Administrative Clerk at the Town Office or on the Town of Carlton Landing Website. A fee will be charged to cover administrative costs. A residential shortterm rental license shall expire on January 31 each year, or upon change of ownership of the related property. Licenses may be renewed by the operator on an annual basis upon filing a renewal application with the Administrative Clerk's Office. The license fee shall be set or amended by Resolution or Ordinance by the Board of Trustees in the Carlton Landing Fee Schedule.

C. A residential short-term rental license is granted to a specific operator for a specific dwelling, portion thereof, or habitable accessory structure and shall not be sold or otherwise transferred. D. The potential Operator must provide evidence of a current State of Oklahoma sales tax permit or show evidence that such collection is performed by a third-party rental agent.

It is reasonable for the operator or contact person to respond within thirty (30) minutes of the contact by the guest, a Town or HOA representative, a security or police officer, or other interested individual, with a proposed resolution and/or actions taken to resolve the issue.

The operator may identify a designated individual to act as the contact person responsible to receive the calls described above. The name and reliable contact information must be supplied to the Guest and the Town in writing. If there is a change related to the contact person, the licensee must provide updated or new information to the Town Administrative Clerk's Office in writing within three (3) business days.

An operator, owner, or a person in control of a dwelling, may not advertise or promote, or allow another to advertise or promote, the dwelling as a short-term rental if the dwelling is not licensed by the Town as a residential short-term rental. Maintenance and cleaning services should be prearranged and available on short notice.

After revocation, the operator shall not reapply for a residential short-term rental license until the reasons for the revocation have been resolved.

F. #### Alley Phase II and Block 10 Parking Lot Improvement Tentative

- Stephens Road The Corps has provided notice of approval of the engineering plans for Stephens Road. Prior to commencement of work we need to provide an Aquatic Resource Protection Plan. This is a new requirement and we will be working with Freese and Nichols to prepare and submit the plan. I have contacted the County Commissioner, Charles Rogers, to let him know we will soon begin work on Stephens Road. We will begin working with the property owner at the end of Stephens Road to clear any encroachments from the Statutory right of way. Our goal is to have the road way cleared prior to the bat migration period, which will delay any work until after the migration period.
- Short Term Rental Ordinance I coordinated and participated in a Task Force meeting on February 23 for discussion and possible changes to the language of the Ordinance. The Task force had good open discussion and several changes were recommended and made to the proposed Ordinance. After the Task Force meeting discussion continued and additional modifications and language clarifications occurred. Thank you for all those who gave of their time and provided input in creating the Short Term Rental Ordinance.

- Marina Phase 2 expansion The Concessionaire has submitted a letter to amend the Marina plans related to the number and configuration of the docks.. That request has been forwarded to the Corp of Engineers for their approval.
- RWD #20 Provided a written follow up to the February 9, meeting with DEQ on consent Order. The letter provided action item timelines to address items within the Consent Order and requested a partial lift of the construction moratorium to help increase flow to the Wastewater Treatment Plant.

Thank you..
